**1. References:**

- a. SEBn Conference dtd 27 February 2018.
- b. Verbal order of CO, SEBn.

2. Per references, it has been noticed/observed by no less than the Vice Commander, PA & the Chief of Staff, PA during the flag-raising/lowering ceremony at HPA flagpole, that SEBn personnel have different types of tuck-ins with their GOU pants. This observation manifests the lack of uniformity among SEBn personnel, particularly in wearing the said uniform, thereby creating a bad impression from the General officers and to those who could noticed as well. In order to correct the said defect and maintain the unit's battle cry "Standard of Excellence", proper tuck-in of GOU and Rayadillo pants shall be implemented.

3. Henceforth, in lieu of the traditional Airborne-tuck and/or Ranger-tuck, this unit shall implement the Garter-tuck while wearing GOU and Rayadillo uniform. Likewise, all SEBn personnel are hereby directed to use garters in their GOU and Rayadillo pants when wearing such uniforms. This is to address the uniformity of the troops and to avoid the twisting of the trouser lining of the said pants.

4. ITR, all Unit Commanders, First Sergeants, and Operations Sergeants are advised to disseminate said information effective immediately upon publication.

5. For guidance and strict compliance.
